Subject: Letter of collaboration with Mr. Dimitri SYCH (Covio agency)

Le Quiz Show is a French company headquartered in Clamart (92140), founded in April 2022 by Mr. Brandon SOONAYE. Its main activity is hosting team-based quiz games. LE QUIZ SHOW's services can be booked via the website lequiz.show, by email at brandon@lequiz.show, or by phone at 01.89.16.47.23.

Le Quiz Show has had the opportunity to work with Mr. SYCH both before and since its founding in April 2022. Indeed, Dimitri created all the mockups for the lequiz.show platform as well as its web development on Webflow. Since April 2022, he has regularly carried out updates and graphic improvements to the website.

I wish to continue working with Mr. SYCH, building on the good work carried out so far, for the following assignments:

- Graphic design
- Design and maintenance of my website

These assignments cover the period from July 2022 to June 2023.

Kind regards,

Brandon SOONAYE
